

CARRICK ACADEMY EXPECTATIONS

As part of the Carrick Academy community, we are committed to respecting our environment and each other.

Classroom Expectations

1. Arrive for class on time, prepared and ready for work.
2. On entering the classroom, remove outdoor wear and sit down quietly.
3. Take responsibility for your own behaviour.
4. Mobile telephones and personal audio systems must always be switched off in class and in the corridors. At the discretion of the teacher, these may be allowed as a learning aid.
5. No eating in class and only water may be drunk at the discretion of the class teacher.

Corridor Movement

1. When the bell rings, pupils should go to class following the most direct route, **keeping to the left** in corridors to aid flow of 'traffic'.
2. The stairs are one way.
(New building: Office – UP, Business Studies – DOWN
Old building: Boys' toilet – UP, Girls' toilet – DOWN)
3. Entrance to the Old Building is one way.
(ENTRANCE – at Guidance Office
EXIT – at the door beside the S6 common room)
4. Any pupil out of class between periods must have permission, carry a pass and follow the most direct route to where they are going.
5. Pupils should not enter any class at any time unless supervised by a member of staff or they have permission to do so.
6. During morning interval and lunchtime, pupils will have access to the **lower level** of the old building and to the canteen in the new building.
7. The administration corridor is out of bounds to pupils at all times unless they need to speak to a member of SMT.

We expect all pupils and staff to follow the school expectations so that we can all enjoy the benefits of working in a pleasant and safe environment.
