Dear Parent/Guardian

I am sharing this information on behalf of the North Carrick Community Benefit company who are seeking the views of young people.

They want to hear from young people about what they think might be missing in their village or town, what would make it a better community for them and whether they'd be interested in being involved in developing initiatives for young people. They acknowledge that young people "are the future of our communities". If you live in the communities of Dunure, Kirkoswald, Maidens & Turnberry, Crosshill, Straiton & Kirkmichael; Maybole and Minishant, can you please **discuss with your child and ask them to complete the survey** by clicking the link below:

All survey responses are recorded on Survey Monkey whose privacy policy can be viewed [here](#) . Community Enterprise's privacy policy can be viewed [here](#).

Yours sincerely
