Dear Parent/Carer

Numeracy Workshop for Parents of S1 Pupils

To enable you to support your child as they progress in Mathematics at Carrick Academy, we are offering a parental workshop for all S1 parents.

The focus of the event will be on the key numeracy skills required within 3rd Level Mathematics and how the Mathematics Department are promoting Mathematical Mind-sets and implementing Number Talks.

The session will also provide suggested resources and advice for parents to support their child within numeracy activities.

The workshop will take place in the **Assembly Hall on Tuesday 13 September at 6pm.** If you would like to attend the event, please complete and return the tear-off slip below.

I hope that you will find this workshop useful and I look forward to meeting you on the night.

Yours sincerely
